About DECALIA SA

Established in Geneva in 2014 with offices in Zurich and Milan, DECALIA is a private and institutional investment management company. With more than 60 employees and assets under management that stand at CHF 4.9 billion, DECALIA has expanded rapidly, in particular thanks to its active-management experience built up over the last 30 years by its founders. Geared to practical solutions, DECALIA is devoted entirely to generating a higher risk-adjusted performance for its clients, while ensuring the highest level of service. The fundamental values that shape its DNA and underpin its actions are dedication, innovation and team spirit. Its investment philosophy is based on several fundamental principles: stringent risk management, capital preservation, an active management style and selection of the best talent.

DECALIA is regulated by FINMA through a collective assets manager's licence. In addition to its Geneva headquarter, the group has offices in Zurich and Milan.
